

# Welcome Back!

Dear Parents,

It's going to be a FABULOUS year in third grade! This year will be filled with excitement, fun and lots of learning. Your child will be given the tools and the opportunities to really explore knowledge. I believe that learning can be an enjoyable journey, where in the end we can all grow and develop a true love of wisdom and discover our strengths and passions, while growing our relationship with our Lord Jesus Christ in celebrating two new sacraments, Reconciliation and Holy Communion. Also, in third grade comes more responsibility which we will work on and grow in together!

Open communication between school and home is very important. I will keep in communication with you concerning the events in our classroom.

I will also keep in contact with you regarding your child's academic gains and/or struggles. Moreover, if you feel there is a concern, please contact me as soon as possible. Together you and I can work to ensure that your child is successful.

I know we are going to have a FABULOUS year! If you need anything, please feel free to contact me.

God bless you!

Sincerely,

Miss Parker
