

# Hi!

## I'm Mrs. Williams !

I am so excited to be your Fourth grade teacher next year! We are going to learn so many new and exciting things! We are going to learn about the solar system, geometry, long division and we will be reading a lot of really great stories and so much more.

I also think it is important that we work together as a family. We will be spending a lot of time together so it is important to treat each other with respect, kindness and compassion.

I can not wait to see you on August 28<sup>th</sup> for the first day of school!!! Until then keep having a super summer.

~Mrs. W
