

Dear 5th Grade students and families,

It is my pleasure to welcome you to your new 5th grade classroom! I am Mrs. Lewis and I will be your child's 5th grade teacher for this very exciting year of learning! As we begin this new school year, I am looking forward to working with your child with great expectations! This school year will bring many exciting and new challenges.

I believe that each student is responsible for his or her own learning. Therefore, I expect my students to do their best regarding both schoolwork and behavior. With the guidance and direction of both teacher and parents, this can be accomplished.

My highest goal is to create a passion in my students for learning and growth. Learning is one of the most important things in life and I hope to make this process fun, engaging, and accessible for all students.

Fifth grade is a very important year to gain responsibility and prepare for middle school. This is a gift I hope you will embrace with integrity and confidence. You have many opportunities ahead of you and I hope you will come to our classroom with an open mind and a determined heart. I am looking forward to all that is to come.

See you soon,

Mrs. Lewis
