

Meet Mrs. Rasich

Hello!

I am so excited for another year to begin as the 8th grade teacher. It's going to be a great year full of learning, exploration, and fun. I enjoy reading, crafting, and camping. My 3-year old daughter and 7-year old puppy keep me on my toes! To balance all that activity, I love to curl up with a cup of hot coffee and a good book on a rainy day!

In this classroom..

We will be studying Language Arts and Literature. In Language Arts, we will be building on the concepts we covered last year and expanding our writing skills. In Literature, we will be exploring different genres and the excitement they can bring to our lives. Its going to be a great year!
